## Give Employees an Epic Holiday Gift

Each year, as the holidays begin to roll around many Human Resource Managers are given a fun but difficult task of finding a perfect employee holiday gift that will please every employee. Whether you are shopping for a small business or a large corporation it is important to find a gift that first, fits the budget. But as important, is finding a holiday gift that conveys sincere appreciation for an employee's hard work. For many years the gift of an actual turkey was a popular nostalgic corporate gift. What better gift to convey a sincere thank you for a job well done and who doesn't enjoy gathering around the table for a family feast! But as trains, planes and home office became the norm, giving out a frozen turkey became very difficult and more and more expensive. 31 ago years, Holiday Gift Check Program came up with a solution that provided the gift of a Thanksgiving turkey or holiday ham but in a convenient, low cost and easy to deliver Holiday Gift Check. A gift that truly delivers a special holiday meal, brings on the holidays and leaves your employees with cherished family memories. A gift that all employees will treasure!

**This season serve up a holiday gift that all employees and customers will enjoy.** First, choose the exact gift denomination from \$5-\$50, flexible to fit any budget. The gift check includes a special greeting and is customized with your company's name. To make it extra special, there is an option to personalize with each employee's name. Personalizing can also help with distribution and gift tracking. Additionally, to assist

with taxing concerns, an optional restriction can be added. Choose from not redeemable for cash, alcohol or tobacco, or add all three restrictions for no fee. After season, there is no cost for leftover turkeys, simply return the 'leftover' Holiday Gift Checks for a guaranteed full face-value refund.

**All employees will treasure a gift that delivers a fun and flexible holiday meal.** Employees easily redeem the Holiday Gift Check for a turkey, ham, or festive grocery gifts to make any gathering an extra special celebration. Recipients will enjoy redeeming the entire gift amount at virtually any grocery store nationwide or exclusively at over 400 Honey Baked Ham stores. The Holiday Gift Check is very flexible allowing employees to choose any family favorite brand of turkey, ham, groceries or tasty side dishes. The Holiday Gift Check is also often enjoyed by customers or patrons as a fun promotional giveaway or incentive.

**Giving employee holiday gifts has a long-term benefit well into the New Year.** Finding the right holiday gift can truly benefit the company. Employee gifts may have a cost but recognizing and appreciating hard work can be very beneficial to the bottom line! There are numerous studies that show employees would stay at their company longer if they felt more appreciated. Many employees also admit they would be motivated to work harder if their company showed more appreciation for their work. Therefore, a small gift of appreciation can go along way!
